

AGN. NO. _____

MOTION BY MAYOR MICHAEL D. ANTONOVICH

MAY 10, 2011

Recently, the Arboretum Foundation announced the results of its request for proposal for a summer concert series at the Los Angeles County Arboretum and Botanic Garden. The County of Los Angeles is not a party to this contract. Questions have been raised regarding the roles and relationship of the Arboretum Foundation and the Los Angeles County Department of Parks and Recreation.

I, THEREFORE, MOVE that the Board of Supervisors hereby directs County Counsel and the Director of the Department of Park and Recreation to review the operating agreement with the Arboretum Foundation and to bring to the Board any recommendations deemed necessary to revise the agreement to ensure that the roles of the entities is clear and that the Foundation acts within the scope of its delegated authority.
